

# SF310/SF370

**A great value out-front rotary mower utilising a tractor chassis for superb durability. With a choice of either 30hp or 36hp engines, these machines guarantee safe and reliable service on difficult terrain, while the comfort enables a higher volume of work to be carried out for long periods with minimal stress to the operator.**

A combination of side or rear discharge cutting decks in various widths, permanent 4-wheel drive, cruise control together with a 30 or 36 hp diesel engine provides excellent performance and high-speed cruising. Maximum productivity and a superb finish are the attributes of this robust machine.
